

Our team at the Chair Group of Production and Resource Economics is currently looking for a

Student Assistant

The EU H2020 funded research project SIGMA Nexus aims to address synergies and conflicts observed in the nodes of the Water-Energy-Food-Ecosystem (WEFE) Nexus, to develop frameworks that advocate efficient, integrated use and management of land and water. We are looking for a student assistant to digitalize the results of the survey (discrete choice experiment). The student should be able to start no later than February 2024. The position is expected to be 10 hours per week and is limited to three weeks.

Requirements

- Enrollment at a German University
- Good knowledge of English
- Good knowledge of Microsoft Excel

Tasks

- Digitalize results of the survey filling in prepared Excel templates.

What we offer

- Participation in an international research project
- A creative environment in a young research team
- Flexible working hours
- Support from our team members

The remuneration is based on the uniform remuneration rates for students or research assistants.

We look forward to receiving your application including your CV and current overview of grades. Please send it by email to Olha Halytsia (olha.halytsia[at]tum.de) by January 26, 2024. If you have any questions, please do not hesitate to contact Olha Halytsia.
